I am in Discovery Bay with my sister and friends. It is summer. It is hot and sunny. I am wearing a red T-shirt, red shorts and white sandals. I am playing on the rainbow slide and climbing the rock wall. I am excited because it is fun.

Photo 2

I am at the beach with my sister. It is summer and the weather is so hot. I am nearly melting! I am wearing swimwear. I am swimming in the sea. My sister is making sandcastles. We feel excited but tired. I will come again next time.
