Dear Lee family,

Thank you for your email. I design a sitting room for you.

There is a soft sofa. There is a hard coffee table and a tall bookshelf. There is a big TV. There is a plant.

In the sitting room, you can sit and read on the sofa. You can also eat at the coffee table. You can watch TV on the sofa too.

The TV is in front of the sofa. The coffee table is next to the sofa. The plant is between the TV and the bookshelf.

Do you like this design? I look forward to your reply.

Felix
