

My Favourite Subjects and Hobbies

3E (15) Ma Shun Yan, Sean

My name is Sean. I would like to share about my favourite subjects and hobbies. My favourite subject is Maths because I am good at doing sums. The other subject that I like most is Chinese because I am good at reading Chinese storybooks and writing Chinese stories.

In my free time, I like playing football with my friends in the playground. We need fifty footballs, twenty-four football shirts and twenty-four pairs of football shoes. I like it because it is so fun. I feel excited. I also like singing with my friends in the music room. We need our sounds. I like it because the sounds are beautiful. I feel pleased.
