My Missing Skitty

Skitty got lost in a huge park after I finished my lunch.

Skitty is six years old. She is pink. She has a big head and a long white tail. Her hair is so soft. Skitty wears a heart-shaped necklace. She is naughty, sporty and shy. She likes to play with people and attack me with its tail. Skitty loves to watch TV and go swimming with me. She is sometimes shy. I invited my friends to come to my home, she hid away under the table.

I am very sad and worried. I miss her a lot too. If you find her, please call 6127 7216.
