

An Accident

4A Lau Nga Tung, Grace (6)

Yesterday, Jamie and I went cycling. I was scared because I had never been cycling before. I tried cycling, but slowly.

When I almost reached the road, I did not see the rock in front of me. I tripped over a rock. I hit my head and it was bleeding a lot.

I was scared and Jamie was shocked to see the wound on my head. I screamed, "Help! Can somebody help me?" Jamie heard my scream and he called the ambulance.

When the ambulance arrived, the paramedics were also very shocked to see my bleeding head. They sent me to the hospital.

When I was in the hospital, my head was covered in bandages. I regretted that I did not look carefully as it caused me to get hurt.
