

An Accident

Class: P. 4A

Name: Zhang Xin Tong, Nina (28)

I seldom go cycling because I am not good at it. Last Saturday, Jamie and I went cycling to Kowloon Park.

There was a person in front of me. I rode very fast. I did not have time to put on the brakes and fell on the ground. My knee and hand were broken. I felt sad and scared.

Jamie came over and asked me, 'What happened?' 'I can't ride a bicycle because I'm injured,' I replied. Jamie called the ambulance. Mom and Dad came to the hospital and gave me a hug. I should wear knee pads and a helmet next time.
