

An Accident

4B_03 Chan Yu Ching, Charlotte

I seldom go cycling because I am not good at cycling. Last weekend, my cousin Jamie and I went cycling in Happy Park.

There was a cow on the cycle lane. I did not see it and fell on the ground. I hurt my knee. I felt scared. I said, “Oh! I hurt my knee!”

Jamie came. “I call the ambulance,” said Jamie. The ambulance came. I said to Jamie, “Thank You!” We went to the hospital. The doctor helped me. I should wear a helmet and knee pads when I go cycling.
