Missing Pet

Last Saturday, my dog Lily went missing in Ocean Park.

Lily is five years old. Lily is white. It is as fluffy as a mop. She has no tail. She is gentle. She has a green collar with paw patterns. She likes eating meat. She is the gentlest pet in the world. She likes playing ball games. She always helps people.

Lily has never been alone, so I feel very upset. If you find her, I reward you \$120. Please call me at 75619211.
