

An Accident

By 4B 25, Yeung Cheuk Tin, Sky

I seldom go cycling because I am not good at it. Last Sunday, my cousin Jamie and I went cycling in Kowloon Park.

There was a tree on the cycle lane. I did not see it and tripped over the tree. I hurt my knee. It was bleeding.

I felt scared. I shouted, 'Ouch!' Jamie called for help. I was sent to the hospital with Jamie. I should be more careful next time.
