

Class: 4C

Name: LEE KA MAN CARMAN ( 17 )

## Bobo is missing!

Bobo is my dog. I lost him in the park last Sunday.

When I finished cycling with my friends, I found that he was not in my bag.

Bobo is six years old. He is white. He is the best pet in the world. He likes playing with people. He always chases my little brother. I miss Bobo so much. If you see her, please call 1234 5678.
