

An accident

4D 9 Huang Sze Yu, Hailey

I seldom go cycling because I am not good at it.
Last Sunday, Jamie and I went cycling in Kowloon Park.

I rode very fast because I saw a banana peel. I fell
on the ground, and hurt my face and knee. It was painful,
and I cried.

I felt upset and scared. Jamie saw what happened.
He called for help and looked after me. He called my
mum and dad. Jamie said, “Are you okay?” I said, “I am
okay.”

I should not ride too fast next time.
