Dear David,

Thank you for your letter. There are many attractions you can visit in Hong Kong. You can join a 3-day local tour in Hong Kong. Here is my suggestion:

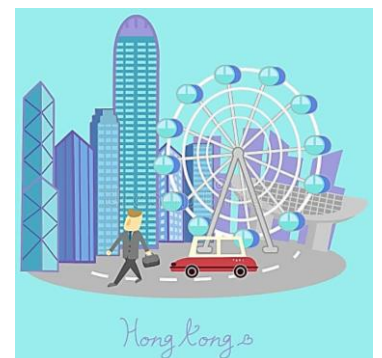

During the tour, you will visit Hong Kong Disneyland on 23 December. You can take some photos, buy souvenirs and play games. You will feel amazed and great because you may see Disney cartoon characters.

Second, you will visit Ocean Park on 24 December. You can see some marine life, buy souvenirs and ride on the roller coaster. You will feel surprised because you will see

different special marine life.

Third, you will visit The Hong Kong Observation Wheel on 25 December. You can see the spectacular scenery and take some photos. You will feel unforgettable because you can get to know more interesting places on your last day in Hong Kong.

See you soon!

Love,

Sharine
