Dear David,

Thank you for your letter. There are many attractions you can visit in Hong Kong. You can join a 3-day local tour in Hong Kong. Here is my suggestion:

During the tour, you will visit Hong Kong Wetland Park on 23 December. It takes about one and a half hours to get there by train. You can take photos with Pui Pui the crocodile. Also, you can go bird watching and visit the exhibition galleries. You will feel overjoyed because you can see different kinds of animals and learn a lot at the exhibition galleries. Second, you will visit Hong Kong Disneyland on 24

December. It takes about one hour and twenty-five minutes to get there by bus. You can ride on the roller coaster and merry-go-round. Then, you can take photos with the cartoon characters. You will feel ecstatic because the amusement rides are so exciting.

Third, you will go to The Hong Kong Observation Wheel on 25 December. It takes about twenty-eight minutes to get there by bus. You can watch the beautiful night view. Moreover, you can take selfies with the Ferris wheel. Also, you will have a wheel ride for 15 minutes. You will feel glad because you can watch the night view and learn more about the beauty of Hong Kong.

I am looking forward to seeing you in Hong Kong!

Love,

Casey
