

Students Should Have Longer Recess

Nowadays, students have 10-15 minutes of recess during lessons to rest. In my opinion, students should have longer recess. 

First, students can have more time to do different things. If students have 2 hours for the recess, they will be able to play games, eat snacks and do homework. 

Second, students need a little more time to go to the bathroom. It is because we can't go to the bathroom during lessons. So we need to take a little break.

In conclusion, I think students should have longer recess.
