Flood victims in Switzerland need help!

In 2024 September, a terrible flood happened in Switzerland and caused great damage. It caused flooded coastal areas, damaged crops, drowned livestock and destroyed houses. The victims do not have bottled water, a place to stay and food.

Volunteer Club holding a walkathon

The Volunteer Club is going to hold a walkathon to raise funds for The Salvation Army. It is a charity which helps the victims. The walkathon will take place on 25th November 2024 in The Salvation Army Lam Butt Chung Memorial School.

Volunteer Club looking for volunteers

Volunteer Club needs volunteers because we want the volunteers to collect and sell books, make posters for the walkathon and sign up for a walkathon. If every student helps in the event, it can help people who are suffering from the flood.

If you want to be a volunteer, please sign up.
