

## Celebrating Chinese New Year

6A 25 Wai Hei Ching, Hazel

On the Chinese New Year's Eve, my family and I went to the Flower Market to buy some flowers. We bought some peach blossoms and roses. They were beautiful. Next, we went to Central to watch the Chinese New Year decorations and lights. I saw a big dragon lighting over there. It was incredible!

At night, we went to my grandparents' home and had a reunion dinner. My dad bought gifts for me and my mum bought a lot of chocolate and candies for me. I was so excited!

On the first day of Chinese New Year, I woke up very early. My mum cooked turnip cakes and rice cakes. They were tasty. In the afternoon, my dad and mum took me to our relatives' home. I got a lot of red packets. I shared some candies with my cousins too. At night, we watched the lion dance and the firework displays. There were many people, but the firework displays were amazing!

This was an unforgettable Chinese New Year!
