

## Celebrating Chinese New Year

### 6A 3 Kung Chin Nga, Elam

On the Chinese New Year's Eve, I went back to my hometown to have a reunion dinner with my mum and relatives. There were many kinds of food to eat and my favourite food was the chicken. It was delicious. I also ate some peanuts too.

Then I let off fireworks with my mum and relatives. It was really fun! After letting off the fireworks, we chatted for a while. Then we went back to the room and slept. I felt tired but happy.

On the first day of Chinese New Year, I woke up very early because the sound of firecrackers was very loud. My mum and I then watched the lion dance. I felt cheerful because the lion dance was awesome!

Finally, my mum and I went back home. It was a great Chinese New Year because it was my first time to let off fireworks and I have got a lot of red packets. How wonderful it was!
