Typhoon victims in Singapore need help!

On 7th September, a terrible typhoon happened in Singapore and caused great damage. It blew away cars and injured a lot of people. The victims do not have food, bottled water and a place to stay.

Volunteer Club holding a charity show

The Volunteer Club is going to hold a charity show to raise funds for The Salvation Army. It is a charity which helps poor people and people who don't have a home. The charity show will take place on 12th October in Hong Kong.

Volunteer Club looking for volunteers

We are looking for helpful volunteers to help contribute to the community, as well as be helpers for our upcoming charity events. We would like volunteers to perform in a show, collect and sell books and make cookies or cakes to sell. If every student helps in the charity show, The Salvation Army will have more donations to help the typhoon victims in Singapore.

Please sign up to be a volunteer.
