Typhoon victims in Hong Kong need help!

On 9th October, a terrible typhoon named Koinu happened in Hong Kong and caused great damage. It destroyed many buildings and broke many windows. It also injured many people and caused a flood and a landslip. The victims don't have enough clean water, food, clothes and tents, so we should donate money to SNDV.

Volunteer Club holding a fund-raising fair

The Volunteer Club is going to hold a fund-raising fair to raise fund for SNDV. It is a charity which helps and saves people who are affected by natural disasters. The fund-raising fair will take place on 30th October in the SNDV Centre.

Volunteer Club looking for volunteers

If there are enough volunteers, the fund-raising fair can have enough people to help in the fund-raising fair. The volunteers can prepare some handmade souvenirs, mini games and food so that they can sell and play in the stalls to help raise more money.
