

## Celebrating Chinese New Year

I had a very happy Chinese New Year Holiday because I saw a lot of things that I had never seen before. At Chinese New Year, Mum and Dad took my brother and me to Harbin.

On the first day of Chinese New Year, we went to Harbin Polar Park. It is the most fun theme park. It is very big and it has a lot of amusement rides too! First, we went to the Animal World to see animals. The animals were so cute. Then we went to see the Beluga Whale Show. The performance was wonderful. I had a nice day there. At night, we went to a nice restaurant to celebrate Chinese New Year. I got lots of red packets.

On the second day, we went to The Eleventh Harbin World. It is so big. It is even bigger than the Forbidden City! Everything there was made of ice. On the way back to the hotel, we saw some fireworks in the sky. They were awesome.

On the last day, we went to China Snow Town. It was as beautiful as a rainbow. There were a lot of Chinese New Year decorations in the town. I had an unforgettable Chinese New Year and I had lots of wonderful memories!
