

Celebrating Chinese New Year

On the Chinese New Year's Eve, I went to my grandma's house in China. I went there with my mother, father and brother. We watched firework displays and got a lot of red packets. We ate a few sweets. We felt happy because my family members like to stay in China.

On the first day of Chinese New Year, I went to my uncle's house. I went there with my mother, father and brother. We had a reunion dinner and watched firework displays again. We felt full because we ate a lot. I like Chinese New Year because I can get red packets.
