

Celebrating Chinese New Year

by 6D Chung Hang Hei, Haley (4)

On the Chinese New Year's Eve, I went to my relative's home. I went there with my mum. We brought my relatives gifts and got red packets from them. We ate spaghetti. We felt excited because I could go to my relative's home and played with my relatives. After that, we visited the flower market. The flowers were beautiful.

On the first day of Chinese New Year, I went to my relative's home again. I went there with my aunt. We got many red packets. We ate dumplings and chocolates. We felt tired because we travelled a lot. I like Chinese New Year because I can catch a break.
