

Earthquake victims in Japan need help!

On 16th October, a terrible earthquake happened in Japan and caused great damage. It has destroyed many buildings. Some people were trapped under the buildings. It has injured many people. It has caused a

landslip .The landslip has caused a long traffic jam. The victims do not have clean water, food and places to live.

Volunteer Club holding a walkathon

The Volunteer Club is going to hold a walkathon to raise money for The Salvation Army. It is a charity which cares the victims who are in this earthquake. The walkathon will take place on 20th October in Kowloon Park. The walkathon is about 20 kilometers.

Volunteer Club looking for volunteers

The Volunteer Club would need more volunteers so that we can help people who are in need. Volunteers can collect and sell books for the victims who are poor. They can make cookies for the elderly who are alone. They will be happy to receive it. They can also sign up for the walkathon. If everyone donates money in these events, we will have enough money to help the victims. Please sign up to be a volunteer.
