

Celebrating Chinese New Year

6E (3) Gao Yui Hei Connor

On the Chinese New Year's Eve, I went to the flower market. I went there with my family. I got red packets. My family and I ate steak and fries. We felt tired because we walked in the flower market for a long time.

On the first day of Chinese New Year, I went to the zoo. I went there with my friends. We watched the lions and bears. We had meals at KFC after that. We felt happy because I could see different animals.

I like Chinese New Year because I can get red packets.
