

## Celebrating Chinese New Year

On the Chinese New Year's Eve, I went to Shum Shui Po. I went there with my family. I watched the firework displays and bought gifts for my friends. I ate rice cake and candies. I felt awesome because it was wonderful.

On the first day of Chinese New Year, I went to a flower market in the very early morning with my family and we got red packets too. We bought lots of flowers. We then ate chicken and rice, and some candies. We felt tired because we woke up early.

I like Chinese New Year because we could visit different places and eat different kinds of food.
