

Celebrating Chinese New Year

6E (7) Law Yuen Sin, Angela

On the Chinese New Year's Eve, I went to the relative's home. I went there with my mum. We got red packets and had a reunion dinner. We ate rice cakes. We felt excited because it was awesome.

On the first day of Chinese New Year, I went to the flower market in the early morning. I went there with my family. We bought plenty of flowers and gifts. We ate turnip cakes and chocolate for a meal. We felt satisfied because the turnip cakes were so delicious.

I like Chinese New Year because it was amazing.
