

Celebrating Chinese New Year

By Ng Hung To, Hugo

On the Chinese New Year's Eve, I went to a theme park. I went there with my family. We queued up to buy tickets. It was so crowded! We rode on the roller coaster and took photos with cartoon characters. We felt excited because the rides were exciting!

On the first day of Chinese New Year, I went to my relative's home. I went there with my family. We got there by train in the morning and had a reunion dinner. We ate spaghetti and dumplings. We felt full because we ate a lot of dumplings. I like Chinese New Year because it is incredible and wonderful to meet my relatives.
