

Celebrating Chinese New Year

By Yeung Hoi Yiu Yoyo

On the Chinese New Year's Eve, I went to the zoo. I went there with my dad and mum. We saw the animals. They were adorable! We bought some snacks at the food kiosk. We felt surprised because the animal show was amazing!

On the first day of Chinese New Year, I went to a hotel. I went there with my dad, mum and brother. We had a buffet dinner with my relatives. We ate different kinds of yummy food, such as sushi, oysters, fish and lobsters. We felt excited because we ate a lot of delicious food.

I like Chinese New Year because I can enjoy a wonderful time with my family.
