

## An accident

Class: P. 4C

Name: CHAU CHIN YIN, HILLARY (3)

I am Andy. I sometimes go cycling because I am good at it. Kayley, Cindy, Andrew and I went cycling in Happy Happy Park. We went cycling. It was so much fun.

Then something happened, I crashed into a tree and I fell off my bike. I felt hurt.

I was hurt and I cried. Andrew saw me falling from my bike and called the ambulance for help. The doctor and the nurse helped me in the hospital. Cindy and Kayley looked after me. I felt so much better now. Thank you Andrew, Cindy and Kayley.
