

An accident

Class: P. 4C

Name: LAW SUET YING, CINDY(15)

I am Andy. I always go cycling because I am not good at it. Cindy, Kayley, Letter Captain and I went cycling in Eling's Park. We had so much fun.

Then something happened, I tripped over a rock and I fell off my bike. I felt upset because I hurt my knee and arm.

Then, Cindy, Kayley, Letter Captain called for help and looked after me. I should be more careful next time.
